

Dress Code for MECOP/CECOP Events

The Selection interview dress code is **business casual**. Wear clean, pressed, comfortable clothing suitable for an interview with MECOP/CECOP board members and other company and agency representatives from organizations throughout the Pacific Northwest.

For men, business casual examples are a coat and/or dress shirt with collar, with slacks and dress shoes, or something else within that range of formality.

For women, business casual examples are a skirted suit or pantsuit, a professional-style dress, low-heeled pumps, or something else within that range of formality.
