

# Information Management Systems Coursework

## PSU

100/200 CLASSES REQUIRED FOR MECOP PARTICIPATION	
PSU Course #	Generic Description(Example)
BA 101	Introduction to Business and World Affairs
BA 205	Business Communications Using Technology
BA 211	Fundamentals of Financial Accounting
BA 213	Decision Making with Accounting Information
CS 106	Computing Fundamentals II (for bulletin year 2002-03 and after)
EC 201 & 202	Principles of Economics
Stat 243 & 244	Statistics I & II
SP 220	Public Speaking
WR 121	English Composition OR Freshman Inquiry

**Note:** The courses listed above are required of all business majors in order to be admitted to the School of Business Administration. However, it is not necessary for applicants to be SBA-admitted prior to applying to the SBA MECOP program and not all of these courses are critical to success in MECOP. Thus, if you are missing one or more of the above and are interested in applying to the MECOP program, please contact Becky Einolf in SBA 240 ([beckye@pdx.edu](mailto:beckye@pdx.edu)).

300/400 SERIES CLASSES REQUIRED FOR FIRST MECOP INTERNSHIP
