

MANAGEMENT INFORMATION SYSTEMS OPTION

Option Code: 202, Required Courses, 2007-2008 (as of September 2007)

Note: MIS Option students in the MECOP program will typically go on a Spring-Summer internship at the end of their Junior year before taking BA371. Then they return to OSU for Fall/Winter/Spring and go on their second internship during the Summer-Fall period. It may also be possible to arrange things so that the first internship is a Summer-Fall internship followed by a Spring-Summer internship. To discuss your particular schedule, you should talk with [Dave Sullivan](#), the College of Business MECOP coordinator.

REQUIRED COURSES, SOPHOMORE YEAR:	
BA 272	<p>Bus Application Development (4)</p> <p>Note: Students may substitute other 'Introduction to programming' courses. Valid replacements are CS151 (C programming) and CS161 (Java Programming). For other substitutions, please coordinate with the MIS option coordinator.)</p>
